ABOUT OUR CHEF

Born out of his strong passion for sports, especially baseball, Tony's competitive nature developed at an early age growing up in Bloomington, Indiana. As a child, his family traveled extensively throughout Mexico and Europe, which is where he developed a love of cooking and global cuisine.

Tony's love of competition and passion for cooking easily translated into a career in the kitchen. With a strong work ethic developed at a young age, Tony was fortunate enough to land a job working for Chef Dave Tallent, of the famed Restaurant Tallent, for over five years. Tony credits learning how to be a great cook to the time he was able to spend learning from Chef Tallent. In 2010 Tony and a business partner opened a food cart named Happy Pig, serving college kids and the late night Bloomington crowd fresh, local ingredients, along with coveted sloppy pork belly sandwiches.

In 2012 he made the move to Indianapolis to take the Sous Chef position at newly opening Bluebeard. Since moving on from Bluebeard, Tony has continued to work in some of the best kitchens in and around the city, advancing his knowledge along the way. Chef is looking forward to tapping into his ancestral roots and love of locally raised meats and produce, while putting his mark on the New Latin Cuisine of Delicia and La Mulita.
